

Discover Canada Your Way...

Jasper Winter Adventure
4 Day Dog Sledding, Wildlife and Ice Canyon Walking

Northern Lights Viewing
4 Day Fort McMurray Aurora Viewing

Day 1 Arrive Jasper

Upon arrival into Jasper, check-in to your pre-selected hotel. Rest of the day at leisure.

Day 2 Wildlife Discovery Tour & Maligne Canyon Ice Walk

In the morning, join a sightseeing excursion (included) to Jasper's lesser known gems, and search for wildlife along the way. Moose, elk, sheep, goats and wolves are commonly sighted in Jasper National Park. In the evening, you have an opportunity to view the wonders of Maligne Canyon from the ground up. The canyon has withstood 10,000 years of erosion and has created a 50m gorge. Your certified guides will lead groups of no more than 12 along the frozen canyon floor and its ice-clad limestone walls.

Day 3 Dog sledding Tour

Travel by dog team through the silent undisturbed beauty of winter and all it has to offer. This is a great hands-on opportunity to venture deep into the heart of the Canadian Rockies. Enjoy the crisp mountain air and the beautiful scenery that surrounds you while you warm up with a hearty trail side lunch, cooked over an open campfire, hot apple cider and homemade treats. During this time you will have the opportunity to learn the history of both the area and the art of dog sledding.

Day 4 Depart Jasper

Your package ends upon check-out of your hotel.

Tour operates every Thursday from 03 December 2015 to 21 April 2016

Tour cost 4 days/ 3 nights per person twin share from

Value Hotel	\$670pp
Moderate Hotel	\$780pp
Superior Hotel	\$930pp

Fort McMurray is placed in an ideal location to observe strong Aurora activity under the southern edge of the "Aurora Oval". Based upon information compiled by Environment Canada over the past 50 years, Fort McMurray has more clear nights between September and May than any other present Aurora destination in Canada. The region also has the longest Aurora season with tours being able to run into May. Guests have a 90%-plus opportunity to see Aurora activity in Fort McMurray over a three night viewing period. Each evening guests are driven about 15 minutes by vehicle from the hotel to the viewing site. This private undisturbed facility has a huge open area for viewing (360 degrees) and a warm comfortable building with snacks and hot drinks available throughout the evening.

Day 1 Arrive Fort McMurray

Arrival in Fort McMurray and transfer to your hotel. The balance of the day is at leisure. In the evening enjoy a verbal orientation of the itinerary and the optional activities. Afterwards transfer to the private viewing site and heated building where you can enjoy a slide show and instruction in Aurora photography by a professional photographer. Viewing building amenities include: Complimentary hot drinks and snacks, instruction and assistance by photographer, use of telescope.

Day 2 Evening Aurora Viewing

A free day to enjoy the many optional winter activities that Fort McMurray has to offer. This evening transfer to viewing building for Aurora viewing.

Day 3 Evening Aurora Viewing
