

Manitoba – Get Active
SUMMER & WINTER ADVENTURES

Manitoba is about the Great Outdoors, it is a nature loves paradise! There is something for all seasons.

Spring & Summer

The arrival of Manitoba's sunny summer means days spent at the **beach**, **camping trips at the lake**, and loads of summer **fairs and festivals** to fill up on **music, culture, and food!** The summer months also bring the arrival of nearly 3,000 **beluga whales** to the Churchill River Estuary.

Paddle! With over 100,000 lakes and rivers to explore Manitoba is a paddlers paradise - head north for world class **whitewater** or paddle a peaceful urban river – go for a day or go for a week, guided and unguided adventures await you.

Fish! 100,000 lakes and rivers – enough said! Choose from the many lodges some only accessible by float plane!

Hike, Bike & Walk! Discover the many trails around the province they all vary in length and ability one of the best way to discover the rural communities and get up close to mother nature.

Autumn & Winter

The cooler months are exhilarating, with so much to see and do.

Northern Lights! In Northern Manitoba the lights are visit for up to 300 nights of the year

Let it Snow ! Go **dog sledding**, strap on a pair of **snowshoes** and hit the snow covered paths adventures across the province.

Dine with a difference – RAW: almond – The Ultimate Pop Up. Award winning chefs come from all Canada to create a tasting menu like no other. This Pop Up is located on a frozen river in Winnipeg and in the town of Churchill, fine dine under the Aurora!
