

Active 'White Season'

Abraham Lake

Dog Sledding

Get active and head for the Great White Outdoors!

Visit Canada during the "off season" or should we say the "white season" to create memories that will last a life time! The villages of Banff and Lake Louise know how to do "cool", from December until the end of April they celebrate the white stuff and the cooler temps. You don't need to ski to enjoy Banff and Lake Louise during the "white season" there is so much to see and do during winter.

8 Day Bubbles, Glaciers & Mountains!

Day 1: Calgary to Banff

Transfer to Banff for a 4 night stay, choose to stay in the heart of the village or indulge and stay at the historic and majestic Fairmont Banff Springs (at a supplement).

Banff Springs

Day 2: Banff – Snowmobiling

This morning enjoy a half-day snowmobiling adventure, no experience is needed, together with your guides you will climb mountain trails, travel along the infamous Kicking Horse Canyon, stopping at a trappers cabin for hot drinks and snacks. Experienced drivers can upgrade to a 900 cc snowmobile, full day excursions are also available.

Day 3: Banff – Ice Walk

Your walking tour this morning (3 ½ - 4 hours no experience necessary) takes you through the natural wonder of Johnston Canyon in all its winter glory. Travel along the Bow Valley Parkway to the trail head, trek across steel walkways built into the canyon walls, experience breathtaking

views of the gorge and the lower falls, emerging through a cave you come to the spectacular ice pillars of the upper falls.

Ice Walk

Day 4: Banff – A View from the Top!

Included today is a lift pass for the non-skier. Experience the same jaw-dropping and uniquely Canadian mountaintop views as the skiers and snowboarders. Take the chairlift to Mt Norquay's historic teahouse, head out to Banff Sunshine and take the high speed gondola.

Day 5: Banff – Lake Louise

The morning is at leisure before you transfer by coach to Lake Louise. After settling in, head out to the lake where you can go ice skating. This afternoon enjoy a tranquil sleigh ride amongst the Canadian Rockies.

Day 6: Ice Bubbles Heli Tour – A Bucket List Experience

This day out is built around an incredible natural phenomenon on Abraham Lake, whereby

methane gas bubbles from plant life freezes at various depths under the lake surface, view this natural phenomena on a 20 minute Six Glacier flight plus a 1 hour snowshoe hike followed by a guided Bubble Tour on Abraham Lake.

Day 7: Lake Louise – Dog Sledding

Meet your guide and glide through the pristine wilderness where the only sounds you will hear are the ones made by your team of dogs. This 2 hour tour can be extended to a full day. Back in Lake Louise there is time to take in a snowmobiling trip if you are still looking for more action (optional).
