

“Spring Break” in BC

Salt Spring & the Islands of The Southern Gulf

The Gulf Islands have been named as one of the world’s best coastal destinations. Here the forest meets the sheltered waters where you can swim, kayak, paddle & fish. Visit organic farms which produce some of the best cheese, wines, beers & ciders that you will ever taste or discover unique handmade arts & crafts created by the many artists and artisans who call these islands home.

Salt Spring Island is the jewel of the Southern Gulf Islands with easy access by sea plane and ferry from Vancouver and Victoria. It is a nature lovers paradise dotted with walking and hiking trails, spend a day discovering nature or discover the food and wine trails of the island.

Galiano Island Watch the sunset from Montague Harbour Provincial Marine Park, take out a kayak the island is a nature lovers paradise.

Pender islands Yes there are two North & South – Secluded beaches, trek in the rainforest, hike a mountain play a round of golf and fishing are just some of the activities on offer.

Mayne Island During the Gold Rush the island was commercial and social centre of the Gulf. Visit the historic Miners Bay building, enjoy the views from Georgina Point Lighthouse, hire a bike for a leisurely day of farm to table visits.
