AURORA VIEWING WILDERNESS LODGES

Escape the everyday when you fly into a remote wilderness lodge. During the summer activities include fishing, boating, wildlife viewing as well as hiking in nearby forests. During Winter it's Snow Time, strap on a pair of snowshoes, go ice skating on a lake, try your hand at ice fishing, hop on a Snowmobile, learn to build an igloo and of course the Aurora will light up the night sky in both Summer and Winter.

Blachford Lake Lodge

Open year round and only accessible by light plane from Yellowknife, here you will find a wilderness retreat for all seasons. Perched high on rocky knoll overlooking the lake and pristine wilderness. Aurora viewing is from mid August to mid October and winter runs mid December to mid April. Summer & Autumn activities include Aurora Viewing plus the use of seasonal equipment such as motorized boat, canoes etc.. During Winter go ice fishing, fat biking, snowshoeing, igloo building and more!
